14 – 17 Mar 2001 National Congress on  
Aviation and Space Education- Mpls

### **MN Leadership Academy**

2-6 Aug are the dates for this premiere  
CAP Cadet activity for Basic Airmen and  
Basic Officers. Applications are due to  
Wing HQ 17 July. Forms are available on  
the MNWG Web Page and have been  
mailed to the units.

### **Summer Encampment**

Another great encampment led by  
C/LtCol Andrea Wenzlaff the cadet staff  
pushed the importance of following the  
standard of the Cadet Program  
regulations. If you plan on being  
involved in the 3<sup>rd</sup> CTG in 2001 as Cadet  
Commander, applications are due 11  
Sep.

### **Cadets Course**

What is the Cadet Program all about?  
We are planning on getting as many  
CAP members that are interested at  
Camp Ripley during the NCO School. To  
obtain the best attendance, please  
inform me what would be the best day,  
Thursday or Friday. We will have  
sufficient room for you to stay over.  
Your cost will be transportation and food  
cost. You can also come and observe  
the training at the NCO School.

### **Cadet Advisory Council**

Cadets selected to represent their units  
for 2000-2001 CAC need to be  
appointed on a CAPF 2A including  
address, phone numbers and email in  
the remarks block. CAPF 52-16 sets this  
policy, and prompt completion of this  
duty will be reflected in the 2000  
Commander Emphasis Items. The CAC  
has much to do in its future, but this is  
the first step.

### **“J-REX 2000” DR exercise**

75 Cadet and Senior members are  
needed for this ever-popular ES activity,  
more information to come.

### **Air Force Academy**

C/2LT Jeffrey Krebsbach , North Star  
Cadets SQ., received an appointment to  
the AFA. Great job cadet Kresbach.
